Things that I think the school is doing well
My child has loved the 'Titanic' topic this year.
The topics of 'Megastructures' and the 'Titanic' have been very much enjoyed.
Feel there is a great team in the Early Years, my child has made so much progress, we are really grateful.
My child has really benefitted from the extra support provided by the Early Years teachers. His first more formal year of education has been gentle and an exciting year of learning for him.
My child has loved this year and has learned lots of interesting facts.
The children have really enjoyed topic learning and the school has done an amazing job of allowing them to learn both academically, but also with experiential learning. They are happy and confident at school and we are very appreciative they have such a wonderful place to learn.
Overall very happy with the progress my child has made.
Thank you for all of the clubs that are provided.
My child has loved his time in Year1 and has come on tremendously in his reading and maths.
My child has enjoyed the Woodlands sessions, the art with Abby and all the extra special dress up trips that Lanercost has put on this year.
Staff are all enthusiastic and engaging – well done!
My child loves school and is very enthusiastic about his learning and all the extra activities.
Breakfast clubs and Stay and Play are excellent for working parents
My child has enjoyed a wide variety of trips and activities at school this year that have enhanced his learning
I am thankful for all the extra input my child has had. The school has given special consideration to his developmental needs and created an environment in which he has thrived.
The trips are fantastic; they get so much out of them.
My child has especially enjoyed the cricket both during PE and after school. Fraser has been a great role model, we value the time, and commitment the school has given to the sport. .
The variety of sporting opportunities has seen my child take part in netball, cricket, swimming and gymnastics, which we are very pleased about. She has grown in confidence. She loves school and has enjoyed all of the trips she has been on. Thank you for another fantastic year!
My child has loved being in Year 6, thank you! She has had the opportunity to take part in so many extra activities, which have all helped develop her self-confidence. The transition activities with other schools are helping her become more confident about going to WHS.
As my child transitions to secondary school I am really pleased with her development, socially, emotionally and academically. I am looking forward to her utilising all of these skills and knowledge. She has had a fantastic foundation influenced by her time at Lanercost School – thankyou.
Thank you for another great year at Lanercost! My child has thoroughly enjoyed his primary years. In particular a HUGE thank you for all the opportunities which have come my child's way. We feel truly blessed and fortunate that he has had such an enriching experience and although he is perhaps too young to appreciate how lucky he has been to be a pupil at Lanercost, I am sure he will realise one day – no doubt when he has his own children.
My child has really enjoyed Y6, particularly the London and Belfast residential. She has felt inspired to learn and well supported through her SATs. She has loved being in Miss Kellock's class and has been well prepared to be a confident and independent learner ready for transition to secondary school. Thank you!
Comments
Things that I think the school could improve:
Would it be possible to have a Friday email with all of the important notes for the following week?
We will trail a Friday email at the beginning of the next term to keep you informed of things coming up in the following week.
Can we have lunch menus sent home rather than being done in school?
We have already responded to this request by sending the menu home for you to work with your child to select their food choices.
Can we look at the car-parking situation?
Bays are going to be marked out for staff cars during the summer holidays – we hope that this will give more space in the rest of the car park for parents.
