

## Catchup Funding – Lanercost CE Primary School

The government has announced details of funding to support children and young people to catch up following the unprecedented disruption to their education as a result of coronavirus (COVID-19). This includes a one-off universal £650 million catch-up premium for the 2020 to 2021 academic year to ensure that schools have the support they need to help all pupils make up for lost teaching time.

Lanercost CE Primary School has been approximately awarded £5,500 in catch-up premium funding, however the final amount is yet to be confirmed by the DFE. Details of how this money will be spent are shown below:
