It is important that your grant is used effectively and based on school need. The [Education Inspection Framework](#) makes clear there will be a focus on **‘whether leaders and those responsible for governors all understand their respective roles and perform these in a way that enhances the effectiveness of the school’**.

Under the [Quality of Education](#) Ofsted inspectors consider:

Intent - Curriculum design, coverage and appropriateness

Implementation - Curriculum delivery, Teaching (pedagogy) and Assessment

Impact - Attainment and progress

To assist schools with common transferable language this template has been developed to utilise the same three headings which should make your plans easily transferable between working documents.

Schools must use the funding to make **additional and sustainable** improvements to the quality of Physical Education, School Sport and Physical Activity (PESSPA) they offer. This means that you should use the Primary PE and sport premium to:

- Develop or add to the PESSPA activities that your school already offer
- Build capacity and capability within the school to ensure that improvements made now will benefit pupils joining the school in future years
- The Primary PE and sport premium should not be used to fund capital spend projects; the school’s budget should fund these.

Please visit gov.uk for the revised DfE guidance including the 5 key indicators across which schools should demonstrate an improvement. This document will help you to review your provision and to report your spend. DfE encourages schools to use this template as an effective way of meeting the reporting requirements of the Primary PE and sport premium.

We recommend you start by reflecting on the impact of current provision and reviewing the previous spend.

Schools are required to [publish details](#) of how they spend this funding, including any under-spend from 2019/2020, as well as on the impact it has on pupils’ PE and sport participation and attainment. **All funding must be spent by 31st July 2022.**

We recommend regularly updating the table and publishing it on your website throughout the year. This evidences your ongoing self-evaluation of how you are using the funding to secure maximum, sustainable impact. Final copy must be posted on your website by the end of the academic year and no later than the 31st July 2021. To see an example of how to complete the table please click [HERE](#).

How much (if any) do you intend to carry over from this total fund into 2021/22?	£ 5,093.46
Total amount allocated for 2021/22	£ 16,600
Total amount of funding for 2021/22. To be spent and reported on by 31st July 2022.	£ 21,693

Key achievements to date until July 2021:	Areas for further improvement and baseline evidence of need:
<ul style="list-style-type: none"> A thorough risk assessment for PE was in place, this allowed all pupils to access and engage with PE throughout all of the year e.g. Cricket, Football in Autumn 1 and Outward Bound and Dance in Autumn 2; Dance and Outward Bound in Spring 1 and 2; Cricket and Tag Rugby Summer 1 and Athletics, Cricket and Swimming Summer 2. Continued to use the outdoors, field next to the car park and Woods to ensure all children to engage in regular physical activity at break and lunch times. 2 teams were entered into the Virtual Key Steps Gymnastics competition. KS1 and KS2 came 1st in the Carlisle competition. KS1 came 4th and KS2 were 1st in Cumbria. 100% of Y6 children met the national curriculum requirements for swimming and water safety (85% achieved 2019- 2020). This was done via a two-week intensive swimming block in the summer term. This was a target for 2020-21. Staff have had the benefit of experiencing PE lessons (across a range of subject areas) being taught by an external coach to further develop CPD, using sport premium money to cover the expense of them coming into school two afternoons a week All children from Y1 to Y6 got to experience Outward Bound on a weekly basis for Autumn 2 and the Spring term. Year 5 and 6 took part in a week's residential – outdoor and adventurous activities Year 5/6 second in Carlisle area football competition and Y3/4 took part in a separate tournament as well. 	<ul style="list-style-type: none"> Seek opportunities for children to be re-engage with William Howard Sports Festivals and competitions Baseline children in the Autumn term (lack of secure evidence in 2019-2020 and 2020-2021 due to Covid lockdowns and closures) Continue to track participation throughout the school Train more children as Playground Leaders Give children more experiences of a wider range of sports than we have been able to provide this year Utilise specialist sports facilities e.g. Eden Rock, Chatsworth Tennis Club Engage in competition with other schools if possible in 2021-22

Swimming Data

Please report on your Swimming Data below.

Meeting national curriculum requirements for swimming and water safety. N.B. Complete this section to your best ability. For example you might have practised safe self-rescue techniques on dry land which you can then transfer to the pool when school swimming restarts. Due to exceptional circumstances priority should be given to ensuring that pupils can perform safe self rescue even if they do not fully meet the first two requirements of the NC programme of study	100%
What percentage of your current Year 6 cohort swim competently, confidently and proficiently over a distance of at least 25 metres? N.B. Even though your pupils may swim in another year please report on their attainment on leaving primary school at the end of the summer term 2020. Please see note above	100%
What percentage of your current Year 6 cohort use a range of strokes effectively [for example, front crawl, backstroke and breaststroke]? Please see note above	100%
What percentage of your current Year 6 cohort perform safe self-rescue in different water-based situations?	100%
Schools can choose to use the Primary PE and sport premium to provide additional provision for swimming but this must be for activity over and above the national curriculum requirements. Have you used it in this way?	Yes

Action Plan and Budget Tracking

Capture your intended annual spend against the 5 key indicators. Clarify the success criteria and evidence of impact that you intend to measure to evaluate for pupils today and for the future.

Academic Year: 2020/21		Total fund allocated: 16	Date Updated:	
<p>Key indicator 1: The engagement of <u>all</u> pupils in regular physical activity – Chief Medical Officers guidelines recommend that primary school pupils undertake at least 30 minutes of physical activity a day in school</p>				Percentage of total allocation: 8 %
Intent	Implementation		Impact	Sustainability and suggested next steps:
<p>Your school focus should be clear what you want the pupils to know and be able to do and about what they need to learn and to consolidate through practice:</p> <ul style="list-style-type: none"> • Through the use of an external coaches delivering a range of extra-curricular clubs linked to a variety of sporting areas ensuring that each half term a different year group are having the chance to access the club (inclusive of SEND, physical abilities) inclusive of resources bought for clubs • Purchasing of games equipment for playground for each bubble to ensure that children are encouraged to play and be more active • Increasing the number of children who represent school through sport clubs and virtual games • Invite Outward Bound to work with all children from Y1 – 6 on team building and personal development through outdoor activities. 	<p>Make sure your actions to achieve are linked to your intentions:</p> <ul style="list-style-type: none"> • Aim for every single child from Year 1 through to Year 6 to attend an extra-curricular club linked to sport over the year. • Monitor this at the end of each term to investigate offering a club the non-attenders may want to attend within the limits of COVID-19 • Monitor the children who represent school over the course of the year and encourage others to want to participate in both virtual and live events • Personal health and well-being to be taught through 'C inside' and the continue to us the WHISkids Road to express emotions and feelings • Staff member to attend Emotion Coaching training and to roll this out to other members of staff. 	<p>Funding allocated:</p> <p>£ 1,562.26</p>	<p>Evidence of impact: what do pupils now know and what can they now do? What has changed?:</p> <ul style="list-style-type: none"> • Registers kept within school • Due to Covid restrictions only some clubs were run, therefore spreadsheet demonstrates gaps over the course of the year 2020-21 • Despite the school being split into bubbles, increased activity on playgrounds and field and visible enjoyment of being active • Y1 - 6 continued with C Inside colours to facilitate conversations about emotions and feelings. Children say that they have benefitted from time to reflect, learn how to focus and centre their thoughts and develop a positive mind set more. • Emotion coaching words for feelings used within discussions with children about feelings – all staff have been trained. • All children benefitted from weekly sessions with Outward Bound, maintaining physical activity even during Lock down 	<p>Sustainability and suggested next steps:</p> <ul style="list-style-type: none"> • Inviting external coaches in from other sporting areas (lacrosse, rugby, yoga etc) to target our all pupils to engage with different sports • monitor non-attenders and targeting them with a club of their choice for 2021 -22 • Evaluate resources • Evaluate participation through pupil questionnaire Summer 2022

Key indicator 2: The profile of PESSPA being raised across the school as a tool for whole school improvement				Percentage of total allocation:
				3%
Intent	Implementation		Impact	
Your school focus should be clear what you want the pupils to know and be able to do and about what they need to learn and to consolidate through practice:	Make sure your actions to achieve are linked to your intentions:	Funding allocated:	Evidence of impact: what do pupils now know and what can they now do? What has changed?:	Sustainability and suggested next steps:
<ul style="list-style-type: none"> Developing the role of playground leaders from the Y5 and Y6 children, increasing sport and active participation amongst our reception and KS1 children impacting on them growing in confidence and choosing to participate, as well as increasing leadership responsibilities amongst UKS2 children Buy additional resources for playtimes to encourage greater participation Raise attainment of children 	<ul style="list-style-type: none"> HT to liaise with TA's about how games on the playground are going, as well as discussing possible incentives for the sports leaders Additional resources to be bought so that different bubbles have access to the same playground equipment Complete trackers to measure progress and attainment 	£ 500	<ul style="list-style-type: none"> Summer term questionnaire was not completed – need to do this in Summer 2022 (how many children have benefitted from the increased activities on the playground) Need Ensure we have children trained as playground leaders for 2021 – 2022 as this did not happen in 2020-21 Additional resources were bought and all bubbles had equal access to equipment for playtimes There is still a lack of secure data to measure and evaluate progress and attainment (due to Covid disruptions). 	<ul style="list-style-type: none"> Subscription to Cybercoach website to improve activity in classrooms and increase sport and activity profile Ensure children make expected progress through efficient use of the tracking document. Ensure staff are confident in using the tracking document. Provide extra support to children who are not meeting the expected standard in PE, through movement interventions and work with OT.
