EQUALITY POLICY STATEMENT

At Lanercost C of E School, we are committed to ensuring equality of education and opportunity for all pupils, staff, parents and carers receiving services from our school, irrespective of race, gender, disability, faith or religion or socio-economic background. We aim to develop a culture of inclusion and diversity in which all those connected to our school feel proud of their identity and are able to participate fully in school life.

We have taken an organisational approach and have ensured that all equality strands are woven into the everyday working of our school, particularly in relation to formulating policy and practice around both delivery of our service and employment but also in relation to other functions such as setting budgets, making public appointments and funding.

The achievement of pupils will be monitored by race, gender and disability and we will use this data to support pupils, raise standards and ensure inclusive teaching. We will tackle discrimination by the positive promotion of equality, challenging bullying and stereotypes and creating an environment which champions respect for all. At Lanercost C of E School we believe that diversity is a strength, which should be respected and celebrated by all those who learn, teach and visit here.

The Single Equality Scheme (SES) to which this Policy Statement relates also highlights how our school has worked with and listened to the staff, pupils, parents and carers to inform development of objectives and action plans and the need and commitment required to ensure the Scheme is a success. This is underpinned by a commitment to promoting positive relationships and understanding between all groups within our school community.

The SES sets out how pupils with the following protected characteristics (previously known as equality strands) will be protected in our school from harassment and discrimination:-

- Disability
- Gender
- Race
- Religion and belief
- Sexual orientation
- Gender reassignment
- Pregnancy and maternity

This Scheme extends, however, to cover all aspects of vulnerability, including those associated with socio-economic factors (e.g. pupils from low income families), Children Looked After and those with Child Protection plans.

As well as delivering high quality services to our pupils, the school is also committed to being a good employer and as such the Scheme outlines how we meet our varied duties in terms of recruitment and employment practices. We are also committed to be fully inclusive of all community users, including parents and carers. As such, the Scheme therefore also sets out how we will work to overcome any discrimination related to the other protected characteristics:-

- Age
- Being married or in a civil partnership

This Policy Statement and Single Equality Scheme will be reviewed every three years and is reported on to the Governing Body annually.

Head Teacher:

Chair of Governors:

PART 1- SINGLE EQUALITY SCHEME

1. Aims of the Single Equality Scheme

- To articulate this school's commitment to equality which permeates all school policies and practices
- To ensure that everyone who belongs to, or comes into contact with, our school community is valued and respected
- To promote equality of opportunity and eliminate unlawful discrimination, harassment or victimisation
- To comply with statutory duties under equalities legislation in one document

2. Purpose of the Equality Scheme

This Equality Scheme is our school's response to the specific and general duties in the current equality legislation, which has been brought together under the Equality Act 2010 (see Appendix A). It is an attempt to capture how we are systematically establishing and implementing good practice in equality and diversity

This Equality Scheme sets out how we will:

- develop and review the Scheme and Action Plan (See Appendix B)
- eliminate discrimination
- eliminate harassment or victimisation related to any aspect of social identity or diversity;
- promote equality of opportunity;
- promote positive attitudes to all aspects of social identity and diversity;
- encourage participation by disabled people and people representing different aspects of social identity in public life;
- take steps to take account of difference even where that involves treating some people more favourably than others;
- take proportionate action to address the disadvantage faced by particular group of pupils.

3. Planning to Eliminate Discrimination and Promote Equality of Opportunity

This Scheme is underpinned by the core belief that all children and young people belong to their local community and share the same rights to membership of that community and a quality education. An Action Plan linked to our objectives accompanies this Equality Scheme which identifies what we will be doing over the coming year and beyond to make our school more accessible to the whole community, irrespective of background or need. (See Part 3).

It encompasses our duties to promote positive outcomes in relation to race, gender and disability, but also identifies actions to address other social identities. It encompasses our anticipatory duties to plan ahead for the reasonable adjustments (reasonable and proportionate steps to overcome barriers that may impede some pupils) we need to make to be best placed to help disabled pupils who come or may come to our school.

The Objectives and action plan replace the school's Disability Accessibility Plan (previously required under the planning duties in the Disability Discrimination Act) as it sets out how we will increase access to education for disabled pupils, alongside other protected groups, in the three areas required:

- increasing the extent to which disabled pupils can participate in the school curriculum;
- improving the environment of the school to increase the extent to which disabled pupils can take advantage of education and associated services;
- improving the delivery to disabled pupils of information which is provided in writing for pupils who are not disabled.

The action plan is reviewed annually and progress towards the equality objectives within it is reported on regularly to the Governing Body. Equality objectives have been identified through consultation with key stakeholders including pupils, parents, Governors, staff and others in the community.

This action plan is understood and implemented by all staff and is available on the school website/on request. It will be made available in different formats and in different languages on request to the school office.

5. School Aims Statements

Staffing and Employment

LANERCOST C OF E School complies fully with legislation which protects our staff (including teachers, teaching assistants, supervisors, student teachers) and other adults working in our school, from discrimination based on the protected characteristics. To do this we will:

- ensure that our staff are trained to help them understand their equality duties and/or the differing needs of protected groups within our school community and have mechanisms in place to identify areas for development;
- make such reasonable adjustments as are necessary to prevent a disabled person being at a substantial disadvantage in comparison with people who are not disabled;
- monitor recruitment and retention;
- invest in continued professional development opportunities for all staff;
- make efforts to ensure that the diversity of our workforce reflects that of our local community and wider society;
- not enquire about the health of an applicant until a job offer has been made or require job applicants to complete a generic 'all encompassing' health questionnaire as part of the application procedure unless the questions are specifically related to an intrinsic function of the

work – for example ensuring that applicants for a PE teaching post have the physical capability to carry out the duties;

- ensure the safety and well-being of our staff and take seriously and act on incidents of harassment and discrimination recognising that our staff may be either victims or perpetrators.

Pupils' Attainment and Progress

LANERCOST C OF E School expects the highest possible standards. Staff have high expectations of all pupils and continually challenge them to reach higher standards.

The school recognises and values all forms of achievement. We will monitor and analyse pupil performance by ethnicity, gender, disability and special educational need and social background. Any disparities which are identified will be addressed through targeted curriculum planning, teaching and support.

Curriculum Development and Delivery

We aim to provide all our pupils with the opportunity to succeed, and to reach the highest level of personal achievement. To do this, we will:

- promote activities that celebrate our common experience as well as those that recognise diversity generally and foster understanding and respect for the culture and faith of all our pupils and their families;
- use self-assessment as a teaching-learning strategy, and we will provide all pupils with opportunities to take responsibility for their own learning through regular reflection and feedback on their progress;
- seek to involve all parents and carers in supporting their child's education;
- encourage classroom and staffroom discussion of equality issues which reflect on social stereotypes, expectations and their impact on learning;

Pupil Welfare and Pastoral Care

We aim to promote the health, safety and welfare of all the children and staff providing a caring and supportive pastoral system that takes account of their needs. To do this we will:

- develop and continually review a Health, Safety and Welfare Policy document;
- ensure that the details of this Scheme are shared with all staff both teaching, non-teaching and ancillary staff;

- expect all staff and volunteers working in the school to foster a positive atmosphere of mutual respect and trust among boys and girls from all ethnic groups and range of abilities;

- ensure that staff are empowered to raise any concerns with the Senior Management Team relating to their health, safety and welfare by promoting well-being strategies among staff as a whole and in their respective groups.

The Quality of Provision – Curriculum and Other Activities

We aim to provide an appropriate curriculum for pupils of all backgrounds. To do this we will:

- monitor and evaluate its effectiveness through target setting and attainment analysis;
- ensure that all pupils participate in the mainstream curriculum of the school;
- develop and continuously monitor a curriculum which builds on pupils' starting points and is differentiated appropriately to ensure the inclusion of:
 - boys and girls
 - pupils learning English as an additional language
 - pupils from minority ethnic groups, including Gypsies and Travellers
 - pupils who are gifted and talented
 - pupils with special educational needs
 - pupils with a disability
 - pupils who are looked after by the Local Authority
 - pupils who are at a risk of disaffection and exclusion
 - pupils who are the subject of child protection plans
- ensure that each area of the curriculum is planned to incorporate the principles of equality and to promote positive attitudes to diversity. All subjects contribute to the spiritual, moral, social and cultural development of all pupils;
- deliver a curriculum which reflects and values diversity. It encourages pupils to explore bias and to challenge prejudice and stereotypes;
- ensure extra-curricular activities and special events e.g. school performances, cater for the interests and capabilities of all pupils and take account of parental preferences related to religion and culture;
- ensure educational visits and excursions take account of the capabilities of all pupils including both physical and cognitive disabilities and cultural differences;
- make use of web-based technologies (web sites) to support a high quality learning and teaching experience. This is delivered to all of our pupils irrespective of disability (e.g. visual, hearing, mobility, cognitive and prone to seizure impairments).

Behaviour and Attendance

Lanercost C of E Primary School expects high standards of behaviour from all pupils as appropriate for their developmental level, all staff and others who are working or connected with the school. Details of these expected standards are set out in the Whole School Behaviour Policy.

Through our school ethos and curriculum, we want our pupils to understand better the diversity that exists in society. We want to provide opportunities for them to explore the subtleties and complexities in order to prevent and respond to incidents and situations. We will address the experience, understanding and needs of the victim, the perpetrator, bystanders and the wider school community through our actions and responses. In order to ensure that the Whole School Behaviour Policy and associated policies are equitable, we:

- have procedures for disciplining pupils and managing behaviour that are fair and applied equally to all. All staff are expected to operate consistent systems of rewards and sanctions;
- recognise that cultural background and disability may affect behaviour. Our schools takes this into account when dealing with incidents of unacceptable behaviour;
- recognise that hate incidents or prejudice-based bullying behaviour is driven by negative assumptions, stereotypes or misinformation. These are then directed against an individual or group, based on difference (real or perceived), and linked to, for example, racism, homophobia, negative views of disabled people or sexism. We will take action to prevent, challenge and eliminate any such behaviour;
- have clear procedures in place so that all forms of bullying and harassment, including racism and harassment related to disability, sexism and homophobia, are dealt with promptly, firmly and consistently and are in line with relevant Cumbria LA policies;
- ensure that all staff are trained to deal effectively with bullying, racist incidents, racial harassment and prejudice and are offered support in handling such matters;
- encourage staff to explore their own views and attitudes to difference and to monitor their practice in relation to this Scheme. Adults in school take care to lead through example, demonstrating high expectations of all pupils;
- will take steps to ensure that pupils, staff and parents are aware of policies and procedures for dealing with harassment. They know that any language or behaviour, which is racist, sexist, homophobic or potentially damaging to any minority group, is always unacceptable;
- provide information and advice on attendance and exclusion to parents/carers in accessible formats such as relevant community languages and large print;
- have strategies in place to reintegrate long-term non-attenders and excluded pupils, which address the needs of all pupils;
- ensure that families are aware of their rights and responsibilities in relation to pupil attendance and absence and that cases are always followed up in a way that takes account of cultural issues or matters relating to a child's disability;
- make provision for leave of absence for religious observance, for staff as well as pupils;
- monitor attendance by gender, ethnicity and special educational need. Background is also considered. Action is taken in order to address any disparities between different groups of pupils;
- will fully support children with long-term medical needs who may have an erratic attendance because they are in and out of hospital or not well enough to attend school on a regular basis;
- expect full-time attendance of Traveller and Gypsy pupils whilst they are on the roll of the school.

Partnership with Pupils, Parents, Carers and the Wider Community

LANERCOST C OF E School have established good links with our local and wider community. We welcome them into our school. From them, we learn about quality issues outside school and can establish mechanisms for addressing them within school.

Participation is based on information gained about representation of different groups. We aim to do this as fully as possible whilst recognising issues of sensitivity in relation to the different protected characteristics. We take particular steps to ensure disabled children and young people, parents and carers are involved as is their entitlement. To do this we will:

- involve stakeholders including pupils, staff, parents/carers and other users of the school in relation to all equalities duties;
- take into account the preferred means of communication for those with whom we are consulting e.g. translated materials or interpretation facilities for disabled people or those for whom English is an additional language or are newly arrived in this Country;
- include representation from the widest range of relevant groups that we can reasonably achieve;
- monitor parental involvement and have strategies to raise participation of under-represented groups of parents and sections of the community. Information and meetings for parents are made accessible for all;
- progress reports to parents/carers are clearly written and free from jargon to encourage parents to participate in their child's education. Where necessary, information is available in languages and formats other than English. Parents with a disability or with learning difficulties will be able to access school's information;
- parents are fully involved in the school-based response for their child with special educational needs, understand the purpose of any intervention or programme of action and are told about the parent partnership service when SEN is identified;
- encourage participation of under-represented groups in areas of employment e.g. through work experience placements;
- ensure that any informal events which we may hold are designed to include the whole community;
- work in partnership with parents and the community to address specific incidents and to develop positive attitudes to difference;
- ensure that the school's premises, grounds and facilities are equally available and accessible for use by all groups within the community.

Leadership and Management

LANERCOST C OF E School have a clear admissions policy and procedures which are in line with those issued by Cumbria LA. Our aim is to ensure that our admission process is fair and equitable to all pupils. We will also ensure that our employment practices reflect equality and diversity. To do this we will:

- not discriminate against a disabled pupil in the arrangements we make for determining admission;
- admit pupils with already identified special educational needs. Pupils with statements of special educational needs will always be admitted unless, through the statutory assessment process, it is demonstrated that the pupil's inclusion would be incompatible with the efficient education of other children;
- gather comprehensive information about pupils' ethnicity, first language, religion, physical needs, diet etc. either via the admissions form or at the admissions interview;
- adhere to recruitment and selection procedures which are fair, equitable and in line with statutory duties of the LA;

- will take steps to encourage people from under-represented groups to apply for positions at all levels in the school and ensure recruitment and selection processes are monitored;
- ensure that everyone associated with the school is informed of the contents of this policy. All staff and visitors must support the ethos of the school, promoting equality and challenging bias and stereotyping wherever they observe it;
- ensure that staff training continually highlights equality issues. Equality is incorporated into the induction programme for new staff;
- recognise and value the skills of all staff, including non-teaching and part-time staff. All staff are given status and support and are encouraged to share their knowledge.
- ensure that staff handbooks and regular professional development activities are available for all staff members to support their practice in relation to this policy;
- ensure that resources and displays in our school reflect the experience and backgrounds of pupils, promote diversity and challenge stereotypes. They are reviewed regularly to ensure that they reflect the inclusive ethos of the school e.g. the inclusion of images relating to minority ethnic and Gypsy and Traveller children; displays to be positioned at eye level, etc.

Linguistic Diversity

We recognise and celebrate the linguistic diversity in British society. We look for opportunities to enrich the curricular experience of all our pupils by:

- highlighting how English has borrowed from other languages;
- raising awareness of the similarities and differences between English and other languages;
- reflecting the multilingual nature of wider society in our resources and displays;
- acknowledging the differences in syntax with non-spoken forms of English e.g. British Sign Language.

Gender Equality

LANERCOST C OF E School is committed to combating sex discrimination and sexism and promoting the equality of women and men. We welcome the requirements of the Gender Equality duty and this section sets out our commitment to meeting the duty. We will give due regard to the need to:

- eliminate unlawful discrimination and harassment on the grounds of sex, including domestic violence, sexual violence, bullying and exploitation;
- promote equality of opportunity between women and men in all of our functions;
- recognise that society has stereotypes for both women and men, and both women and men can lose opportunities because of these stereotypes;
- be aware that staff with caring and domestic responsibilities may need to work part-time or flexible working hours;
- work in partnership with other agencies to eliminate sexual harassment, domestic violence and other hate crimes;
- ensure the rights, under the Gender Recognition Act 2003, of transgender people (who have Gender Recognition Certificates).

Admissions and Exclusions

Our admissions arrangements are fair and transparent, and do not discriminate on race, gender, disability or socio-economic factors.

Exclusions will always be based on the school's Whole School Behaviour Policy. We will closely monitor exclusions to avoid any potential adverse impact and ensure any discrepancies are identified and action taken to eliminate these. In addition, we will:

- monitor exclusions by gender, ethnicity and special educational need. Background is also considered. Action is taken in order to address any disparities between different groups of pupils;
- take all reasonable steps to prevent the exclusion of a pupil for a reason related to any disability they may have;

PART 2

LANERCOST C OF E School – Single Equality Scheme Objectives

1. Our School Profile

Lanercost C of E Primary School is a Church of England Voluntary Controlled School. The number on roll is currently 67 pupils. The roll of the school is likely to increase slightly due to the popularity of both the school and nursery. The percentage of pupils taking free school meals (FSM) is 1.5%, well below the national average of 13.6% (2018 DfE stats).

13.4% of our pupils have special educational needs. There is an equal ratio of boys to girls.

100% of our pupils enter the school from our nursery. Some parents use their entire 30 hours entitlement whilst others use fifteen. As a result, attainment and maturity is wide-ranging. In order to address this inequality, we have worked closely with pre-school settings building in regular visits by members of our staff, we also aim to develop positive relationships with parents. In the term prior to starting school in September, all children who had applied to the school for a place were offered visits to the school for three afternoons. This allowed them to settle into the school environment and allowed the EYFS staff to get to know the pupils and to make initial assessments of the pupils and form relationships prior to the start of the new school year.

Our catchment area takes in the villages of Low Row, Lanercost, The Banks, a large rural area demarcated by the River Irthing and Kingswater which includes isolated farms. There are few amenities available locally. The immediate area is very rural and has a small number of ethnic minority pupils – 3%. 72% of our pupils come from outside our official catchment area. They are attracted to our school because of its outstanding reputation. We have a breakfast club which every day from 7:45am

We have a number of vulnerable groups including those with special educational, learning needs.

We are a Voluntary Controlled School with a strong Christian ethos which develops the whole child.

We have never had problems attracting staff and currently have a full teaching staff complement. Staff at the school are very committed and therefore we have a very stable staffing..

The LA deals with admissions to the school. When we are made aware of pupils who are joining the school with disabilities, we make arrangements to meet both the pupil and the parents and involve professionals from the Local Authority and the Health Authority in order to ensure that any adjustments required to the school building are made in readiness for the pupil starting school. The school has fully ramped access but is not level throughout the building so restricting access to any wheelchair users. A temporary internal ramp will be used as and when needed. Our reception area is accessible to disabled people. We have one disabled toilet.

No pupils have English as an additional language.

Information for parents and others is provided in written and verbal form. All information is offered in alternative formats on request.

Recruitment procedures are based on those provided by the LA with all advertising being processed through the County HR and Advertising Team.

2. Disability Equality Duties

LANERCOST C OF E School's commitment to disabled pupils, their families and staff's equality has four objectives:

We will promote equality for disabled people by:

- removing barriers to accessibility, particularly in relation to education, employment and access to services, information and buildings;
- encouraging good practice by our partners through our advisory capacity;
- ensuring we take their needs into account when procuring goods and services from our providers;
- promoting positive images of disabled people;
- challenging patronising or discriminating attitudes;
- making the environment as safe as possible for and challenging antisocial or bullying behaviour against, or harassment of, disabled pupils, staff and families.

We plan to increase access to education for disabled pupils by:

- increasing the extent to which disabled pupils can participate in the school curriculum;
- increasing the inclusion of positive images of disabled people across the curriculum;
- improving the environment of the school to increase the extent to which disabled pupils can take advantage of education and associated services;
- improving the delivery of information to disabled pupils, to the standard of which is provided in writing for pupils who are not disabled;

We welcome the requirements of the Disability Equality duty and this section sets out our commitment to meeting the duty. Our Scheme shows how we promote disability equality across all areas of the school, to disabled pupils, staff, parents, carers and other school users.

Follow our Accessibility plan:

- We have one disabled toilet
- All steps have a yellow edge paint line
- The ramp has a hand rail
- A budget is available to provide for equipment for disabilities as they arise e.g. changing bed
- We have a Supporting Pupils with Medical Needs policy, staff have access to training e.g. Asthma and Anaphylaxis management

3. Racial Equality Duty and Community Cohesion

LANERCOST C OF E School recognises that Black, Asian and Minority Ethnic (BAME) people experience discrimination on the basis of colour, race, nationality, religion and ethnic origin. Racial harassment and violence is one of the most serious consequences of racism, damaging people emotionally and physically and limiting life choices and opportunities.

The school will take all necessary measures to prevent and tackle racial harassment and assist BAME people to live in freedom from harassment and to feel safe as they enjoy and achieve throughout their education.

In order to comply with this duty, we will:

- keep accurate records of all ethnic and faith groups, their backgrounds and needs and how we respond to them;
- encourage dialogue between different racial groups on the appropriateness of our educational provision;
- prevent racial discrimination, and to promote equality of opportunity and good relations between members of different racial, cultural and religious groups;
- encourage pupils and their families of all ethnic groups to participate fully in all aspects of school life;
- use our support for the voluntary and community sector to promote good race relations;
- counter myths and misinformation that may undermine good community relations;
- ensure the school staff and other adults working within the school, pupils and their families as well as our partners and the wider community fully understand the principles of good race relations.

The school is situated in a rural predominantly white area. As a consequence of this we have worked hard to promote informed views about other cultures and countries and have links with a school in Botswana.

- Monitoring information about achievement by ethnicity is applied consistently – it is considered for the small percentage of children as part of pupil progress meetings
- the school curriculum routinely uses a wide range of story books with a multi cultural background, PSHE covers issues related to racism and prejudice, collective worships look at key figures for example Mother Teresa, Nelson Mandela. In RE teaching of other faiths is integral to the curriculum
- The school Christian ethos fosters and understanding and openness to other cultures and works hard to develop an awareness of global citizenship
- The school has welcomed pupils from the William Howard Tanzanian Link

4. Gender Equality Duties

In accordance with our Single Equality Scheme, we welcome the requirements of the Gender Equality duty and this section sets out our commitment to meeting the duty. We will give due regard to the need to:

- Eliminate unlawful discrimination and harassment on the grounds of sex, including domestic violence, sexual violence, bullying and exploitation;
- Promote equality of opportunity between women and men in all of our functions.

There are no significant issues related to gender for the school, however, the steps below have been taken in recognition of possible issues which may arise;

- The school has addressed the gender differences by ensuring all clubs, sports, and games are offered equally to boys and girls. We have a very good take up from boys and girls in after school clubs
- The school monitors information about achievement by gender, monitoring of boys and girls attainment is considered at pupil progress meetings. Extra support is in place where needed.
- Outdoor learning is promoted to build confidence and learning for all pupils. This has a positive impact on kinaesthetic learners many of whom are boys. We ensure a wide range of teaching styles to meet the needs of the learners.
- The school provides the opportunity for pupils to see good role models in a variety of different jobs. Despite all of the teaching staff being female, we encourage men to come in to help with clubs.
- Through assemblies and collective worship we encourage our children to discuss the changing roles of women over time e.g. Emily Pankhurst
- Single Status Equality Scheme has meant that all staff regardless of gender are treated equally in terms of pay.

5. Religion and Belief Equality Duties

LANERCOST C OF E School recognises that people can face discrimination because of attitudes in society towards the faith communities to which they belong. Faith-based hate crime has been on the increase in recent years, developing a character that is distinct from race hate crime.

The school also recognises that a person's religious (or similar) beliefs may mean that they have different needs, demands and expectations, which require flexibility.

The school is committed to eliminating illegal discrimination and exclusion on the basis of religion or belief.

Our school recognises the need to consider the duties which require us to assess the impacts of our policies, functions and procedures have on promoting equality for people based on their religion, belief or non-belief.

Our school is a Church of England School which recognises the need to consider the duties which require us to assess the impacts of our policies, functions and procedures have on promoting equality for people based on their religion, belief or non- belief.

We will respect the rights of individuals to be open about their sexual orientation, tackle homophobia, challenge stereotyping and improve knowledge about LGBT communities, both internally and to the community as a whole.

Our school recognises the need to protect pupils from unlawful discrimination and harassment on grounds of sexual orientation as required by the Equality Act 2010. We are committed to taking a proactive approach to preventing all forms of homophobia within the school and will assess the impacts of our policies, functions and procedures on promoting sexual orientation equality as part of the Equality Impact Assessment process.

We will deal with complaints of discrimination and harassment speedily and according to LA and national guidelines and notify complainants of the outcome and actions taken.

7. Pregnancy and Maternity Equality Duties

LANERCOST C OF E School recognise that the Equality Act 2010 now specifically includes the need to protect female students who are pregnant or who have recently given birth from discriminatory practices.

This school will ensure that no student will be excluded purely on grounds of pregnancy and that up to 18 calendar weeks authorised absence period immediately before and after the birth may be given in order to ensure that the student is reintegrated into education as quickly as possible.

- she is or has been pregnant;
- she has given birth and unfavourable treatment occurs within a period of 26 weeks beginning on the day she gave birth;
- she is breastfeeding and unfavourable treatment occurs within the period of 26 weeks beginning on the day she gave birth;

Complaints by staff will be dealt with under the Grievance Procedure, as appropriate.

We take all external and internal complaints seriously and will not tolerate any form of discriminatory behaviours. Complaints about staff will be investigated using the appropriate procedures.
